Job Seekers Network Group & Family Member Employment Summer Orientation Sessions 2007 Schedules

The **Job Seekers Network Group** is a resource and support group for Foreign Service family members who are currently looking for work in the DC Metro area. The Job Seekers Network Group will provide you with:

- Job-search information and resources,
- Help to keep you motivated, and
- Put you in touch with colleagues also desiring to work.

The idea is to share information, establish contacts, learn tips, and offer support.

The Job Seekers group meets monthly either at the Harry S Truman Building (HST) in Washington, DC, or at the Foreign Service Institute (FSI) in Arlington. FLO will send out notices to announce the meeting dates and details.

If you are interested in attending a Job Seekers Network Group meeting please email us at FLOAskEmployment@state.gov to RSVP. Please include the date of the meeting that you plan on attending.

During the summer FLO offers general **Employment Orientation Sessions** for family members returning to the U.S., as well as meetings for those who are preparing to seek employment at their overseas post of assignment. See FLO's website at www.state.gov/m/dghr/flo or call or email FLO for more details.
